A strong effort to Beliat Saldy's Confirmation.

A strong effort is being made to defeat the confirmation of the nomination of Froi. Saley as Assistant Secretary of the Navy. It is in part a revival of the old strike between the line and staff of the tay, and the nomination will be opposed on the ground that the law provides that manappoint neut should be made from civil life and the spirit of the law was violated when Saley refigered his commission in the navy for the

Time was when the hard, wend ashes were stood away in harrely; when the beauthold in was saved, and in he opring out came a lecoh, had then begun the making of the year's supply of soft soap. But now all this is changes, and when soap is needed, it is moured at the store, and "toe stone, out of sine," as Artemps Ward used to say, the ofder will go in for Brussels amay for thus is the best and most economical.
